SUPAWOOD
ARCHITECTURAL LINING SYSTEMS

We build reputations of distinctiveness and quality. Our commitment to design and quality ensures your reputation rises above the rest.

Choose SUPAWOOD to make your mark on the architectural landscape. Our high-quality, innovative architectural linings will elevate your designs, leaving a lasting impression on all who encounter them.

With SUPAWOOD, you have the power to leave an indelible mark on the built environment.

Here are three concepts our clients have used to create projects of distinction.

- > Curves
- > Three-dimensional shapes
- > Warmth of natural timber

We know it's not always easy to find a solution that will make your project stand out as distinctive and satisfy your client and the project's performance, compliance and budget needs. That's why we customise a large range of ceiling and wall systems to your specifications.

If you're ready to see your vision come to life in the way you want, get started by scheduling a free design call with our team.
