* Budget Pricing above is based on a quantity of 50 m². For quantities smaller than 25 m² allow for a \$750 small order surcharge. Price will be less per m² for larger quantities.

* Full size rectangular panels are either 2390 x 1190 or 2990 x 1190. Full size shaped panels vary from 2690 x 1190 to 2790 x 1190.

Typical Installation rates*

Average install rates - ask technical staff for a more accurate indication

\$120/m²

* If the installing contractor is not engaged in other trades on site there would be a minimum install cost of \$2000.

* These install rates are rough budgets only and install rates must be confirmed by an installer following a site visit to assess site conditions.
